

The background of the image features a close-up, high-angle view of several large, vibrant teal-green leaves. The leaves are layered, with some in the foreground and others receding into the background, creating a sense of depth. The lighting is soft, highlighting the natural texture and veins of the foliage. The overall color palette is dominated by various shades of teal and green, with a dark grey-blue background at the top and bottom edges.

Trio, A New Living Concept.

Trio is Where
Life Unfolds.

Step into a Trio dimensional universe where the fluidity of art seamlessly intertwines with the beauty of architecture to challenge the conventional boundaries of gravity. Perched on the highest point above Cairo, Trio dictates a distinctive living experience where floor-levels inventively overlap with the mass-form of your home, elevating a contemporary-inspired

villa in the heart of New Cairo with a luxury entrance, as well as a private flying garden, ideal for recreation, sunbathing or star-gazing anytime of the year. Trio three-fold perspective on life not only surrounds residents with multi-layered experiences of unmatched privacy, but also breaks down the optimum in signature luxury, exclusively at their door.

01

Trio, A New Living Concept.

A Patent Innovation, Exclusively Yours.

Architecture is inhabited sculptor with the power to teleport residents into a multi-sensory, dream-like reality where everything they desire, effortlessly finds them. Therefore, M squared has invested a whole year in thorough research, following an international bid won by HECATE International- to bring to fruition a pioneering residential vision where gardens fly in overlapping villas amplifying beauty, recreation and privacy in three different dimensions.

Trio, A New Living Concept.

A Green Blueprint of Contemporary Grandeur.

Expertly planned on 35.5 acres of verdant land, Trio stands as a true testament to sustainable development, dedicating open breathing spaces. Boasting tranquil water features and recreational communal spots around every corner, the development is seamlessly interconnected through broad walking tracks, safe biking trails and friendly-pedestrian zones, encouraging spirited interactions, quality living and care-free movement, night and day. With an eye on the future and commitment to give back to the environment, Trio utilizes engineered

solar solutions to reduce energy waste and air pollution while fostering the growth of its community in healthy, stress-free settings, right in the heart of the city but far away from its pressures.

Designed with varied needs in mind, Trio introduces a variety of signature prototypes and spaces, characterized by three villas per complex all enjoying an exclusive entrance, a private flying garden while giving you the luxury to customize your own life, in whichever way suits your mood.
