JUST ABOUT THE DEVELOPER

ABOUT THE DEVELOPER

STRENGTH

STRENGTH
NCB Development is a leading pioneer in the real estate field, combining local Egyptian expertise with regional Kuwaiti history to set a new benchmark in integrated excellence as we know it. NCB was expertly founded in collaboration with numerous real estate developers, in addition to a variety of renowned public contracting companies, leveraging their cutting-edge achievements, as well as iconic projects that represent more than 50% of Egypt's real estate market.

BY EXPERIENCE

BY EXPERIENCE
NCB takes pride in developing and constructing a remarkable number of administrative, medical and educational projects on par with global standards, in addition to commercial malls, cutting-edge hospitals and residential developments across both Egypt and the Gulf. With an eye on the future and an impressive portfolio worth 5 billion EGP, NBC contributed to the development of the Latin District in New Alamein City while taking the lead in bringing to life some of the New Administrative Capital's marker landmarks including the Egyptian Intelligence Compound, Cambridge School of Egypt and the New Capital's thriving R5 district. Believing in the importance of strategic locations and the value they add to investments, NCB has left its mark on prime developments in New Cairo, Sheikh Zayed, 6th of October, in addition to a variety of sought-after coastal destinations such as the Red Sea and the North Coast. Today, the company strives to carve itself a competitive niche by writing a new chapter in Egypt's development renaissance, expanding its foothold in 4th Generation cities including the New Capital. By adopting a progressive alchemy that caters to contemporary lifestyles, NCB melds the best in commercial, medical, residential and administrative offerings to set its name as the developer of choice; targeting both investors, as well as those who wish to live where life truly abounds.
